

The Frey Foundation Proudly Presents Frey's 6th Annual Family STEM Night

STEM—Science, Technology,
Engineering & Math

Thursday, March 1, 2018 6:00—7:30pm

What is STEM Night?

STEM Night is a fun, curriculum—based event for the whole family put on by our Frey Foundation and Frey Teachers. STEM Night starts the Foundation's ONE fundraiser this year ... our STEMtastic Campaign!

A STEMtastic Night of events!

- Important information about The Frey Foundation
- Meet the STEM teacher, Mrs. Johnson!
- Mad Scientist Lab
- STEM Lab experiments
- Make donations in the Learning Commons
- STAR Lab flights*
* sign-up required on www.freyfdtn.org
- Another great Magnetic/Electric demo from Mr. Cunningham, Durham Science
- \$1 waters will be sold in the lobby

What does the Foundation Do?

Below is a list of what the Foundation has been able to provide to the students and teachers at Frey Elementary over the past years.

- STEM Lab teacher for 4 days a week and supplies
- Study Island and Education City software
- USA Test Prep
- Teacher grants of \$7,500 divided among all grade levels and specials units (providing hands on classroom materials)
- 70 iPads
- iPad charging carts
- 25 Laptops
- Incubator and supplies for baby chicks
- Lego Field Trip (school wide)
- STEM night (annual school-wide event)
- STEM challenges annually twice per year
- STEM lab supplies
- 32 headphones for Music room
- Technology conference for teacher

Our goal is to continue to fund our STEM Lab Initiative at Frey for grades K—5. If we collect as much this year as previous years, we will easily reach our goal for 2018! One way to start is to reach out to family and businesses for tax-exempt donations.
